

RING SIZE GUIDE SANDBERG SWEDEN

Measure your ring.

Use this guide with an existing ring to find out your ring size. For greatest accuracy use a ring with a similar band width and style to that you want to buy.

Print this document out to 100% - ensure that page scaling is set to "None" on your print dialogue box. (To open the print dialogue box, press CTRL +P.) Check the printed size by measuring the line below. It should be exactly 50 mm.

————— 50 mm

Place your ring on the chart below and match the inside edge of the ring to the circle nearest in size. If the ring falls somewhere between two sizes you should always opt for the larger size.
